No. 7250.D1/50. dated 12-1-1951.

Sir,

Sub: Industries - Sericulture - Govt. Silk Filatures,
Kollegal - Dispensary - Compounders - Revision
of Scale of pay - Orders requested.

Ref: 1) G.O.No. 3933 Dev. dt. 9-10-45.

2) G.O.No. 3826. Public Health dt. 30-11-44 and
Govt. Memo No. 7025-D1/46-3 Dev. dt. 24-10-46.

In the G.O. first cited sanction was accorded to
the employment of a compounder in the dispensary attached to the
Govt. Silk Filatures, Kollegal, in the scale of Rs. 28-1/2-40. A
qualified compounder was appointed with effect from 3-12-45 and
as per orders contained in the Govt. Memo second cited, the
compounder was given a higher starting pay of Rs. 30/- p.m.
in the above scale of pay. The scale was revised to Rs. 35-1-60
during the general revision of scales of pay in G.O.No. 784
Finance dated 6-2-47.

In G.O.Ms. No. 3850. Health dated 13-11-50, the
Government have further raised the scale of pay of compounders
in Govt. Medical Institutions from Rs. 35-1-60 to Rs. 45-2-55-1-75
with effect from 1-9-50. The dispensary attached to the Govt.
Silk Filatures, Kollegal also is a Government institution but is
not thrown open to the public unlike other Government Medical
Institutions. I therefore request to be informed whether the
scale of Rs. 45-2-55-1-75 now sanctioned for compounders in
Government Medical Institutions would apply to the compounder
employed in the dispensary attached to the Govt. Silk Filatures,
Kollegal.

The file relates to the D.I. & C's proposal to revise the pay of the compounder, Govt. Silk Filatures, Kollegal from Rs.28-- $\frac{1}{2}$ --40 to Rs.45--2--55--1--75 which is the scale of pay admissible to compounders in other Govt. Medical Institutions. (The extra cost involved works out to about Rs. 200 p.a.)

2/. Sanction was first accorded in G.O.Ms.No.3933 Devt. d/2-10-45 to the employment of a compounder in the Govt. Silk Filatures, Kollegal on Rs.28-- $\frac{1}{2}$ --40, which was at that time the scale of pay applicable to the compounders in the other Govt. Medical Institutions. When the scales of pay underwent a general revision, it was ordered in G.O.No.78 Fin. dated 6-2-47 that the scale of pay of compounders of the Medical Department as well as that of the Compounder at the Govt. Silk Filatures, Kollegal should be raised to Rs.35--1--60. This scale of pay was further raised in respect of compounders in Govt. Medical Institutions in G.O.No.3850 Health d/13-11-50. The D.I. & C. has now requested that he be informed whether the scale of Rs.45--75 is applicable also to the compounder, Govt. Silk Filatures, Kollegal.

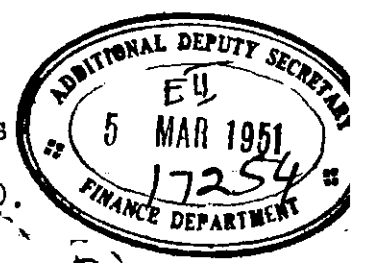

Devt. have stated, that the scale of Rs.45--75 will not automatically apply to the Compounder at the Govt. Silk Filatures, Kollegal. Health have, however, remarked that as the duties

of the compounder at the Govt. Silk Filatures, Kollegal, will be the same as those of compounders in other Govt. Medical Institutions, there is no objection to the scale of Rs 45--75 being made applicable to the former.

3/. It is submitted that, as the scale of pay of the Compounder, Govt. Silk Filatures, Kollegal, appears to have been originally based on the scale of pay of the compounders in the Govt. Medical Institutions, there seems to be no objection to the further revised scale of pay of Rs 45--75 being applied to him. Therefore, Finance may concur in the views of Health. Devt. will no doubt issue an order, specifically raising the scale of pay of the compounder in question.

7/10
16/3

The scale of pay of Rs 45--75 was sanctioned to compounders in the Govt. Medical Institutions with effect from 1-9-50. As financial concessions of this kind should not be given retrospective effect, this department may suggest that the higher scale may be applied to the compounder, Govt. Silk Filatures, & Kollegal, with effect from the date of orders to be issued.

4/. With the above remarks the file may be returned to Devt.
